Complete the order form attached to your prescription and returning it to the surgery.

Crown House Action Team (CHAT)

Our Patient Participation Group meets at bi-monthly intervals. The aim of the group is to discuss suggestions and concerns about the practice from a patient perspective. If you are interested in this group please ask at reception.

Compliments and Complaints

Help us to help you. We like to know when we get it right, but we also want to know if we can improve our service. Please let us know. Speak to your doctor or the practice manager. We offer a practice complaints procedure to deal with comments, suggestions and complaints about the services we provide.

Violence and /or Abuse

Our staff are here to help you. Patients should expect to be treated with respect and courtesy by all members of the practice. Your responsibilities to us are to afford the same level of respect and courtesy to all members of the practice and to recognise that verbal or physical abuse will not be tolerated.

Data Protection

The practice complies with General Data Protection Regulation 2016 and the Data Protection Act 2018

We use your information to provide you with Health Care Services, and share your information with other organisations involved in your care.

You are entitled to see what information we hold about you on request.

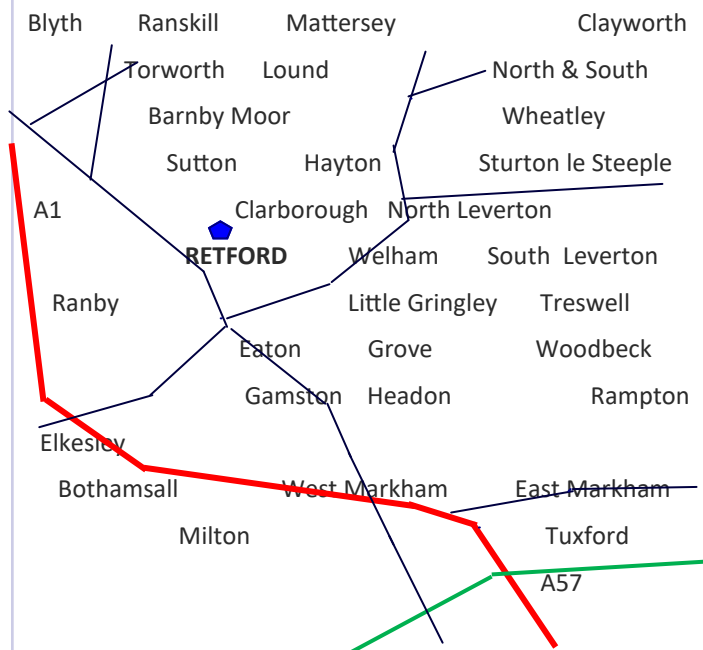

Patient Registration

We welcome new patients. You can either apply on-line at www.crownhousesurgery.co.uk or at Main Reception. When you register with the practice you will be given a registration form and a health questionnaire. You will be registered at a face to face appointment with one of our admin team. You will be informed of all our services and allocated a usual GP. Any necessary appointments can be made once you are registered.

Important

Please inform us as soon as possible if you move house or change your telephone number.

Crown House surgery was originally sited in Bridgegate. During January 2008, the practice moved to the new, purpose-built Retford Primary Care Centre. The new premises provide a spacious and comfortable facility close to X-ray facilities, Out-Patients, Physio etc. There is excellent access to the building for the disabled. The practice welcomes guide and assistance dogs.

Philosophy

We believe in providing continuity of care to our patients so that they receive a truly personal service.

We believe that patients deserve the highest quality of care possible.

We believe that General Practice should provide value for money for the NHS when delivering services.

We believe we can learn from our patients and are keen to listen.

Appointments

All consultations are by appointment.

To make an appointment you can book on-line at www.crownhousesurgery.co.uk, by telephone 01777 703672 or call in to the surgery.

Make a separate appointment for each person who wants to see the doctor.

Please cancel appointments as early as possible if you are unable to attend.

Urgent Appointments

Urgent conditions, ie problems that could not reasonably wait until the next available routine appointment, will be seen on that day but may not necessarily be with the doctor of your choice. We have an Advanced Clinical Practitioner Service and you may be offered this or choose to see them.

Home Visits

Please attend the surgery rather than requesting a visit. This allows the doctor to make better use of time and takes advantage of the surgery's facilities and equipment. If you do require a visit where possible please ask before 11am, so the doctors can plan their rounds.

Contacting the Doctor

When patients ring asking to speak with a doctor, the patient will be transferred to the doctor's personal secretary who will make the necessary arrangements.

Text Message Service

The practice uses a text messaging service to send appointment reminders and other information.
