August 2020

Dear Patient

We write to inform you that after 23 years Dr Myriam Gimenez has retired from Crown House Surgery on the 30th June 2020 and we wish her a long and happy retirement.

We are pleased to inform you that we have been successful in recruiting a new GP.

Therefore we are pleased to inform you that your new Usual Doctor will be Dr Daniel Garcia-Novoa, who will be joining the practice on 28th August 2020 and your care will be transferred over to him.

Dr Garcia-Novoa has several years' experience as a local GP and we would encourage that you always try to see him to ensure continuity. We very much look forward to welcoming him into our team.

Yours sincerely

Crown House Surgery
